EXPERIENCE

SpartanNash, Remote — *Retail Systems Analyst*

DECEMBER 2025 - PRESENT

Support and maintain enterprise-level retail systems following the acquisition of Fresh Encounter Inc.

Fresh Encounter, Tampa, St. Petersburg — *Lead Technician, Data Engineer*

DECEMBER 2022 - DECEMBER 2025

Led retail systems support and data operations for a multi-store grocery chain. Managed integrations between BRdata, ECRS POS, SpartanNash feeds, and third-party vendors.

Tampa Eye Clinic, Tampa — *Lead OD Technician, IT Support Specialist*

JUNE 2019 - DECEMBER 2022

Assisted patients and trained new hires for optometric technician roles. Provided Tier 1-2 technical support for clinical and administrative staff.

EDUCATION

Western Governors University, UT — *Bachelor of Science: Software Engineering*

OCTOBER 2024 - FEBRUARY 2026

St. Petersburg College, St. Petersburg — *Associate: Computer Science*

PROJECTS

Data Automation & Retail Systems Documentation — *Fresh Encounter*

Built internal documentation systems mapping company-wide data flows, scheduled tasks, and integrations. Created scripts to automate CSV normalization, store-number mapping, and invoice archiving.
